LUXURY LIFESTYLE

A DIFFERENT LEVEL OF LUXURY

There are some moments that money simply cannot buy...

That sense of awe when you spot a tiger

These magnificent big cats are native to India. Encounter them in Ranthambore, Bandhavgarh or Kanha. Stay in luxurious camps and lodges and explore the wild in all its beauty.

A spiritual moment in the mountains

Discourse with monks in Ladakh. Meet a Rinpoche in Bhutan. Experience a private blessing or say a prayer of gratitude in the Himalayas.

Sheer bliss by the sea

Total relaxation awaits at some of the most gorgeous spas and wellness resorts in Sri Lanka, Kerala and the Maldives. Let your body, mind and soul renew as you soak up the luxury of simply letting go.

A Tribute To PRS Oberoi

There are few names that are as synonymous with luxury as that of Prithvi Raj Singh Oberoi, fondly known as Biki. He took his incredible vision for hospitality, a combination of an Indian ethos with a global outlook, to several parts of the world. From Rajasthan's oases to the Nile, Dubai to Delhi, Marrakech to Mumbai, Biki changed the landscape of luxury forever.

The devil lies in the details, and Biki Oberoi had a penetrating eye. He was known to stand in kitchen galleys as room service trolleys rolled out, inspecting them one by one. He turned heritage on its head with his unique brand of luxury living. He won several awards, but most importantly, his unparalleled contribution towards putting India on the luxury map of the world makes him a much revered and greatly missed figure in the tourism and hospitality industry.

Spread out along the banks of Lake Picchola in Udaipur, Udaipur Vilas looks like it's been taken straight out of a fairy tale. The luxury of space and expansiveness hits you the minute you walk into the resort.

Meandering pools create a languid elegance, and abundant foliage creates a cocoon like feeling. Soak up the bright winter sunshine as you lounge outside your suite and enjoy the bliss.

From a spectacular spa to immaculate service, mouthwatering cuisine and an acute eye for detail, it's no wonder that this resort has consistently ranked among the finest in the world.
